

and to the sixth district of Indiana. His impact will be felt for years to come, and I wish him the best in his continued service and ministry.

TRIBUTE TO THE 100TH BIRTHDAY  
OF KHEN NGO

**HON. JOE BACA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 24, 2011*

Mr. BACA. Mr. Speaker, I rise today to ask Congress to celebrate the 100th birthday of Khen Ngo, a prominent member of the Vietnamese Catholic community in San Bernardino. I would like to ask my colleagues to join me in celebrating this milestone with the Ngo family and the San Bernardino community.

Born on July 4, 1911 in the Hue Province in Central Vietnam, Khen Ngo completed elementary school by age thirteen. Tragically, he fell ill to an infectious disease and did not recover until age seventeen. Shortly thereafter his family enrolled him in tailoring school. Khen completed his secondary education within one year.

The skills he learned in school allowed him to become part of the family business. In Vietnam he opened and operated his own tailoring shop. Soon he was able to manage and maintain his parent's shop as well. Outside of work he served in the Parish council of Kim-Long Church as a finance officer for fifteen years. Life was about to drastically change for the Ngo family.

In 1975, the Vietnamese Communist Regime invaded Vietnam. The Ngo family was a prominent family; the last name was well-known across the country. Their heritage can be traced back to the first President of Vietnam, Ngo Dinh Diem. Sadly, the communist regime also knew the Ngos well. They sought out and imprisoned many of the family members, leaving Khen no choice but to escape. Khen came to the United States as a Vietnamese refugee.

He settled in Redlands, California and joined the Sacred Heart Church. The Ngos are a deeply religious and pious family. Together with his brother, Father Joseph Trong Ngo, the Ngos helped build and foster a Vietnamese Catholic community in San Bernardino. Khen lived a simple life and held steadfast to his values. He lives by two guiding principles: the Catholic teaching to honor your parents, and to live his life as a deeply religious and spiritual person.

His life continues to be filled with spirit and love. He surrounds himself with the people he loves and leads a simple life. He fathered seven children and bestowed upon them the virtues he embodies. Khen now spends his days fishing and watching soccer games with any of his twenty nieces and nephews or nine grandchildren. I want to extend my best wishes to Khen Ngo on his 100th birthday along with the wishes of my wife, Barbara, and my children, Mayor Pro Tem Joe Baca Junior, Jeremy, Natalie, and Jennifer. Mr. Speaker, I ask my colleagues to join me in sharing this special day with Khen Ngo.

ALGER COUNTY ROAD H-58

**HON. DAN BENISHEK**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 24, 2011*

Mr. BENISHEK. Mr. Speaker, I rise today to recognize several long time residents of Alger County Michigan, who were instrumental in resolving a long standing controversy about road access within Pictured Rocks National Lakeshore.

When Pictured Rocks National Lakeshore was authorized by the U.S. Congress in 1966 as America's first national lakeshore, the enabling legislation called for the construction of a "scenic shoreline drive" as part of the park's development. However, the legislation did not specify exactly where that road should be located. Due to other national priorities, including the Vietnam War effort, funds were never appropriated to actually design and build the road.

This delay led to tremendous frustration on the part of local individuals and units of government, many of whom felt misled into supporting the establishment of the park. However, as local pressure increased to fund the project, opposition to building a road through undeveloped portions of the park also increased, leading to many years of controversy.

Over the years, several alternative locations were considered for the road. But, in 1998, to protect the most pristine portions of the park, Congress amended the park's enabling legislation to actually prohibit the National Park Service from constructing a road through the main portion of the park, forcing a compromise solution.

That compromise, ultimately endorsed by the National Park Service and the Alger County Road Commission, called for the reconstruction and paving of an existing sand and gravel road; Alger County H-58. Using a combination of federal and state funds between 1990 and 2010, H-58 was re-designed and paved to provide improved access to and through Pictured Rocks National Lakeshore and connect the two gateway communities of Munising and Grand Marais.

In the end, the Alger County Road Commission and the National Park Service worked very closely to design and build a roadway that would provide an outstanding scenic experience worthy of a national park. It is also noteworthy that in 2009, as the road project was coming to an end, Congress also provided permanent legal protection to the central portion of the park by establishing the Beaver Basin Wilderness. It took over 40 years, but with these two actions, the controversy about how best to balance road access and protection of nationally significant resources at Pictured Rocks had finally come to an end.

Over the years, many Alger County residents continued to strongly advocate for a road that would provide better access to the National Lakeshore. These included Connie Berube Binsfeld, who later served as Lt. Governor of Michigan and a member of the National Park Advisory Board; Doug Miron and Paul Heyrman, Chair and Vice-Chair of the Alger County Road Commission; the late Dennis "Fuzzy" Boyak, President and CEO of Peoples State Bank of Munising; Rochelle Cotey, Director of ALTRAN, the local transpor-

tation authority, and Richard and Chuck Nebel, a Munising banker and attorney-at-law. Munising native Mike Pond, a professional civil engineer, was involved in the design of virtually every detail of the road. Now that the road is complete, these local residents, along with others, have left a lasting legacy for Alger County and the visitors to Pictured Rocks National Lakeshore.

HONORING ASSISTANT CHIEF  
BRIAN LENA AND CAPTAIN WIL-  
LIAM BAHR

**HON. NAN A.S. HAYWORTH**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 24, 2011*

Ms. HAYWORTH. Mr. Speaker, I rise today to recognize Assistant Chief Brian Lena and Captain William Bahr of the Mahopac Volunteer Fire Department; for their heroic actions and longstanding commitment to their fire department and community.

In October of 2010 these two men, along with their fellow firefighters, responded to an evolved structure fire which blocked the only exit the occupants had. At the scene, Assistant Chief Lena and Captain Bahr bravely rescued the occupants through a second story bedroom window. During this time, the hose crew also attacked an advancing fire in the kitchen and hallway.

In response to these heroic actions, Assistant Chief Lena and Captain Bahr have both been awarded the distinct honor of Firefighter of the Year. They have received this award with several agencies, including the Mahopac Volunteer Fire Department, Putnam County Volunteer Firemen's Association, Hudson Valley Volunteer Firemen's Association, and the Firemen's Association of the State of New York.

Mr. Speaker, it is an honor to recognize Assistant Chief Lena, Captain Bahr, and all of the other first responders who came out that day. We are fortunate to have such dedicated volunteers protecting us in the Hudson Valley.

IN HONOR OF WORLD REFUGEE  
DAY

**HON. SAM FARR**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, June 24, 2011*

Mr. FARR. Mr. Speaker, I rise today to honor World Refugee Day and the 60th anniversary of the 1951 Geneva Convention Relating to the Status of Refugees. While we are commemorating World Refugee Day all week, the plight of refugees continues day in and day out. As I speak, there are some 15.4 million refugees around the world. But, there's another dimension to this humanitarian crisis that I want to highlight. Worldwide, there are an estimated 27.5 million internally displaced people who have fled their homes, but remain within their country's borders. So, as we mark World Refugee Day, we cannot forget internally displaced people who are refugees within their own countries.

In total, there are 43 million refugees and displaced people globally which is roughly the
